

hi, my name is

CINDY JUAREZ.

I am a front-end developer in Dallas, TX

EXPERIENCE

April 2014 - Present

Front-end Developer @ Joinem LLC

Currently building out the front-end of the Joinem site which is a single page app utilizing Angular and SCSS. I also designed the mobile version of the site.

August 2013 - April 2014

Web Producer @ Apollo Interactive

Created landing pages, responsive email templates, client websites and maintained front-end code for existing clients.

Clients: Einstein Bros', Visionworks, Wingstop, Curves, Extraco Banks

March 2013 - August 2013

Web Developer @ Online Performance Marketing

Developed custom WordPress themes for new clients and made HTML/CSS/PHP/JavaScript updates for existing client websites.

Clients: Advanced Air & Heat, iBuild Roads, iFratelli Pizza

December 2012 - May 2013

Web Developer Intern @ KHYI 95.3FM

Customized a new WordPress theme/plugins for the radio station with a better layout, improved design hierarchy, and much more readable code for future improvements.

November 2011 - May 2013

Web/Graphic Designer @ UTD Recreational Sports

Designed digital/print media for department including large posters, postcards, web banners, t-shirts, brochures, and booklets along with launching redesigned website which I also maintained.

July 2010 - Present

Freelance

I design and develop custom WordPress themes for local clients.
